The Hometown AD•Vantage started publication in February 1987. The Worcester Times/Schenevus Monitor and the Tri-Valley News had closed their doors a few years earlier, leaving this area without an affordable advertising media. The HTA was not guaranteed to succeed and I am sure many believed it would not. February 2024 will mark the start of our 37th year.

We have always strived to keep advertising rates as inexpensive as possible. The condition of today's economy has forced us to consider a price increase. As in the past, we will still be very affordable, especially when compared to other forms of advertising. We distribute, free of charge, to over 3,300 households by saturation mail.

**New rates will take effect with the January 2024 issue** and are listed below. This is only our third price increase since 1987.

The HTA runs ads strictly by column width and inches. A 1-column by 2 1/2" ad costs \$16.00. Double the size, \$32.00 (approx. business card size & shape). Four-times the size (1/4 page), \$64.00, etc. Sizes are standard. Contact us for other sizes and services.

If you have any questions and wish to talk to us or if you are not familiar with placing an ad, it may be a good idea to do so.

My cellphone # is 607-435-7171.
